## Modular Sneeze Screens

- Robust modular design
- Unique click-fix blocks allow for different configurations to suit your specific requirements
- Standard and made-to-measure panels available
- Serving and pay point cut-outs machined to your requirements
- Fixing blocks come with adhesive tape pads and screw holes for optional secure installation
- Supplied flat-packed for rapid delivery

\*Bespoke made-to-measure options also available

The TechPPE Modular Sneeze Screens allows for face-to-face business to continue whilst ensuring the safety of both staff and customers by providing an optically clear physical barrier. Installation is quick and simple using the unique click-fix blocks, allowing for unlimited customisation.
